Klick®

The lubricant of RFSU, in two new formula!

Application:

Vaginal dryness to improve sexual stimulation, lubricity.
Combinable use with sexual aid and stimulating toys.

Klick® soft glide contains Aloe Vera and is an extra moisturizing and gentle lubricant with soft feeling and long-lasting glide. Water based, perfume free and no colour or flavour.

Klick® natural glide is a gentle lubricant with carefully selected ingredients in order to offer long lasting glide. Water based, perfume free and no colour or flavour.

Klick® soft glide contains ingredients to nurture your skin, where as **Klick® natural glide** offers longer and sustainable moistering. Favorable pH-value of 5,0.

Klick®, as a water based lubricant, may be used safely in combination with any kind of condom or diaphragm.
